EPOS thermal receipt printer with compact, minimalist, splash-proof design and convenient front receipt printout

Specially designed for point-of-sale and service applications, this thermal receipt printer features a trendy, minimalist style, a lacquered black or white finish and compact dimensions and design.

It is also one of the few machines in its category to feature a front receipt printout, ensuring optimum protection against dust, crumbs and liquid splashes in tough environments such as kitchens, restaurants, bars, bakeries and the like.

ODP 1000 has an intense Black Piano or Pure White satin lacquer finish offering modern style and elegance.

All AURES peripherals are compatible with other EPOS systems available on the market.

+ Printer features contemporary black satin or pure white lacquer finish
+ Highly compact, ergonomic design
+ Splash-proof receipt printout path located on the front side for enhanced waterproofing protection; perfectly designed for all catering and hospitality sectors
+ Print speed: 160mm/sec
+ Integrated dual interface: RS232C serial and USB ports
+ Configuration utilities
+ All cables supplied
